TTARP's BUILDING

In TTARP's 2017-2018 AGM Report the Officers promised to look at other options in line with our available funds as the design and cost of our dream building was not within our reach. A new simple design has been approved by the executive members. It is a two story, fifty ft. by fifty ft. (50x50 ft.) building (*the New Design is attached for your information under Appendix I*).

TTARP submitted the design and received Town and Country's approval in March this year. Next stage was City Corporation who has acknowledged receipt but must have WASA and Fire approval before the engineers give their final approval. It is a very long and tiresome process but we are optimistic that all the required approvals are within our reach.

NATIONAL ISSUES

The Executive Committee of TTARP has submitted to the Government of the Republic of Trinidad and Tobago several proposals on behalf of Senior Citizens of our country. The recommendations were formulated by the National Issues Committee and approved by the National Executive of the Association for consideration and inclusion in the GORTT National Budget of 2019/2020.

As customary these proposals were submitted to the National Issues Committee by our Zonal groups functioning in several areas around Trinidad and Tobago. Proposals were also submitted by our Executive Committee and individual members. TTARP's proposals are included in *Appendix II* of this annual report.

The Executive and National Issues Committee are heartened by the important inputs from our Zonal Groups. TTARP's proposals to GORTT seek to protect and improve the living standards of Senior Citizens. So, it is vital that our proposals originate from the wide and varied membership as much as possible. Such a wide scope of coverage is an indication that TTARP is active, observant and a reliable advocate for senior citizens. Our past and recent successes, persistent and sensible advocacy for all retirees and seniors have taught us that TTARP is not only important but also vital to our interests and welfare as seniors.

The Executive and National Issues Committee are dependent on and rely on continuing information and submissions from our Zonal Groups and membership on issues relating to senior citizens. Feedback and proposals are essentials to providing quality service to our large and growing membership.

The National Issues Committee thank our Zonal Groups for providing us with the necessary information in formulating and submitting TTARP'S proposals for the 2019/2020 National Budget.

In turn, TTARP's Executive Board wish to thank Cecil Paul and his committee for their continued commitment, to the issues identified by the Zonal members representing the concerns of a wide cross section of senior citizens throughout Trinidad and Tobago.

TTARP's MEMBERSHIP STATUS

We understand that many of our members may have some challenges reaching our office even if it is once per year or once every three years, so we have been using our Volunteer Promoters to meet you halfway at your local Massy and Tru Valu Supermarkets. From September to November 2018, and from April to July 2019, members had the opportunity to renew at these locations or to join. This has been a tremendous success and has aided thousands of members over the period as reflected in the table below: -

	Aug 2019	Aug 2018
Number of Financial Members in TTARP	38,710	37,459

Invitations from various Corporations and Entities are usually extended to TTARP to either do a group presentation or to set up an information booth at Fairs, Exhibitions, Seminars - over the last year, we have done over fifty such Promotions, which is equivalent to more than one every week for the past year.

Our Promoters have played a vital part in the growth of membership and building awareness of the organization from being out in the public eye. We are

very proud of each of them and extremely appreciative of such loyalty and dedication. *(Let us please ask the Promoters in the Audience to stand).*

HOSPITALISATION ASSISTANCE PLAN STATUS

TTARP's Hospitalisation Assistance Plan has been going through its challenges for the past eight (8) years as has been reported at past AGMs. The Executive Committee must be commended for their tenacity in defying all odds and kept this extremely rare benefit available to all members. Unfortunately, with the decreasing membership in the plan and the increase in claims submitted, the Executive was left with no alternative but to discontinue the Hospitalization Plan. The deficit as at July 31st 2019 was about one million dollars. As such this plan was terminated on the 30th April, 2019.

GOLDEN TERM LIFE INSURANCE PLAN

Twelve years ago, The Golden Term to Age 100 life insurance policy offered by Assuria Life (T&T) Ltd. was launched specifically for TTARP members. Over the years, the plan has evolved and is now offered to persons of varying ages and at an increased Face Amount.

No one can predict the future but the Golden Term to Age 100 life insurance policy ensures that you and your loved ones are prepared for any eventuality. This policy can be purchased from as young as 6 months old to 85 years old, providing that you have been in good health and there was no change to your medications within the last 24months.

Should one survive to Age 100, the Face Amount is payable to you at the next policy anniversary. However, if you were to pass on before this Golden Age, then the Face Amount is payable to your beneficiary, protecting your loved ones.

The Face Amount starts from as little as TT\$10,000.00 to a maximum of TT\$300,000.00 with premium payment options monthly or annually.

To learn more about this fantastic policy, please call Assuria Life (T&T) Ltd. at 625-6342.

MY SENIOR CARD

Five years ago, in 2014, a relationship was formed with HealthNet Caribbean Medical and Dental Centre with the introduction of the Senior Card which offers affordable private medical care at extremely affordable price.

MY SENIOR CARD is currently offered at \$365 and provides a doctor visit, dentist visit, CBC, cholesterol, urine and sugar tests plus discounts on other services ranging from 10-20%. This plan was designed to encourage members to be proactive in their health by at least having a basic annual check-up.

Our relationship with HealthNet has since strengthened and today we are happy to announce the launch of MY SENIOR CARD PLATINUM which offers additional benefits. The biggest advantage of this plan is the FREE Unlimited Doctors' Visits, which means that a member can walk into any HealthNet Clinic, see a doctor and pay absolutely nothing. Other benefits are an annual medical check-up on your Lipid (Cholesterol), Creatinine (kidneys), CBC, 10 panel Urine Analysis, AST/ALT (liver), ECG (heart), Pap Smear /PSA (prostate) - cancer, and a dental exam. Similar to the Senior Card, discounts on other medical services are also offered ranging from 15 -30%. MY SENIOR CARD PLATINUM is offered exclusively to TTARP members at a rate of \$999 per year. We cannot stress the importance of getting checked annually since "Prevention is always better than Cure", and one can

definitely take advantage of Unlimited FREE Doctors' visits.

These Two Plans offer Members the choice of joining My Senior Card at \$365 a year, which is just \$1.00 per day or the My Senior Card Platinum for \$999 a year. This caters for all budgets and we hope you take advantage of these offers since it was designed with you in mind.

O50Q MAGAZINE

For the period under review, three magazines were published and distributed to the Membership. We are extremely honoured to have been able to photograph and obtain an interview face to face with Her Excellency, Paula Mae Weeks who was featured in our August 2018 magazine. Her Excellency is a TTARP member and has been very supportive of our efforts, she is also the Patron of TTARP.

The December 2018 magazine was most informative and covered mostly our 25th Anniversary events and our History and accomplishments. The April 2019 magazine featured Katherine Kumar, a lady - power house and her rise to success.

It takes a lot of coordination and time and effort to put together such a publication and we thank all our Cover Story Personalities, Feature Writers, Photographers, Zonal Contributors, Creative Writers, Graphic Artists, Editors, Advertisers, Other Contributors, our Copy Reader – Mrs. Ruth Frazer-Munroe, and Sapphire Consultants for making this possible.

This is the 19th year of Publication of the O50Q Magazine, and we trust that you enjoy reading each issue. It is our main way of letting you know what is happening in the organization and in the zones each

quarter, and each issue is exciting with new offers from our Discount Partners so read and take advantage of these offers.

Your magazine would be mailed every April, August and December. If you do not get mail at home, remember you must go to the Post Office to collect or it will be returned to us, and this is an expensive wasted cost. We do not mail a second magazine. Also, if you have moved please contact the office and provide us with your new address.

Do you know that you can view O50Q magazines for past ten years on www.ttarp.org?

Please check it out!

As usual, we remind members that you can access copies of past magazines online at www.ttarp.org

This monument was dedicated by Pastor Kwame Mohlambi on July 20, 1997, and is one of the historical sites listed on the Heritage Asset Register. The tour was very informative and kept everyone interest peaked. The tour ended at the Moruga beach where there was a lighthouse and statute of Christopher Columbus. Social Events

On Thursday 13th September, 2018 members journeyed to the Centre of Excellence to attend TTARP'S Annual General Meeting which began at 10.00am. It was a day full of information and camaraderie as members of the various Zones listened attentively to the proceedings and interacted with each other.

On Friday 28th September, 2018, twenty-four (24) members boarded a chartered maxi at Mid –Centre Mall, Chaguanas to attend the annual UWI Cocoa and Chocolate Fest Exhibition. The booths displayed the versatility of the cocoa plant as its fruits were made into various edible and inedible items. Representatives from the Ministry of Agriculture, Land and Fisheries were also present. They showcased several known and unknown local fruits and distributed planting material to interested persons.

On December 6th one hundred and twenty members and well-wishers journeyed to Paria Suites, La Romaine for a Christmas Luncheon. Persons were not disappointed as they enjoyed a delicious meal and were well entertained in songs and dance. Five (5) Door Prizes received from various Corporate Citizens, including Head Office, were won by lucky persons. We were happy to have Mrs. Mayling Younglao, Honorary Secretary, as TTARP's (HO) representative. At the end

of the formal session, members came out on the dance floor and showed off their dancing skills to the sweet sound of our resident DJ, Michael Lawrence. It was indeed a fitting end to our Zonal activities for 2018.

On Saturday 26th January 2019 we held a small In-house Bingo at the Sport Arena. It consisted of nine (9) games inclusive of a Blackout Jackpot Bingo. Our thanks go out to members who donated prizes, thereby minimizing our financial output.

Our **2019** Carnival Lime was held at the spacious Warrenville Regional Complex, on Saturday 23rd February 2019. We did not attract a big crowd as our event coincided with the popular Calypso Fiesta normally held at Skinner's Park, San Fernando. This did not dampen spirits as our Ole Mas and Calypso events were well appreciated by the audience. Our resident DJ, Mr. Michael Lawrence, provided us with sweet Soca music and even a bit of electrifying R and B music which made everyone dance the Electric Slide.

On Thursday 28th February twelve (12) of our members were fortunate to attend the free 'Kaiso for Silvers' show at the UTT Campus, NAPA, Port of Spain. These tickets were given out to various zones at TTARP's bi-monthly meeting held in Belmont on February 21st. The show featured both young and senior artistes belting out kaiso through the ages. It was hosted by the Ministry of Community Development, Culture and the Arts and ensured that seniors were not left out of the carnival fun. It was an enjoyable evening which saw us strolling down 'memory lane' as we recalled our youthful days and captured new memories.

On April 11th approximately thirty –five (35) members were fortunate enough to obtain tickets to attend TTARP's Health Seminar at Radisson Hotel, Port of

Spain. Members arrived early and joined the throng wanting to be screened and tested by various health professionals before listening and actively participating in the various lectures. This Health seminar has clearly outgrown Radisson Hotel. Never the less it was a day well spent.

Our Hat Parade, was held on Sunday 27th April, 2019. Our models were once more in action as hats in formal and casual wear were displayed complete with the appropriate outfits. The audience were encouraged to wear hats and the top three creative hats were adjudged winners and awarded prizes.

Our Games Lime was held on June 06th at the Arena. About thirty-five (35) members and well-wishers met to participate in various games inclusive of, All Fours, Go to Pack, Romey, Ludo and Snake and Ladders. Refreshments comprising non-alcoholic drinks, phulourie, corn soup, curry corn and sweet bread were on sale. There was a lot of camaraderie throughout the evening. The event was quite successful. It was an evening well spent.

On June 26th members and well-wishers of Central Pride enjoyed tea at Jaffa's in a combined celebration of Mothers' and Fathers' Day. We arrived before the scheduled start time and milled around the corridor as we awaited our call. We were not disappointed as the chefs prepared an assortment of sumptuous goodies to accompany the various teas served. Then there was dessert - cakes, pastries, ice cream and more - wow!!

On July 06th Central Pride held a Fashion Show themed "Laugh, Live and Love 2" which featured Central Pride models. The show was coordinated by Mrs. Carol Huggins- Benjamin, one of our Committee members. It featured Retro Fashions, Designer, Patriotic and Formal wear. The Designer garments, designed by four (4) different Designers featured

clothes in bright colours of orange, blue, green and yellow designed by Bernadette Brathwaite, Erma Hector-La Borde, Carol Huggins-Benjamin and Annmarie Harper, respectively. The formal wear incorporated a "Dougla" wedding as its theme. In addition to the modelling, the programme also featured comedy, steel pan music, dancing and drumming. It was a great show which lived up to its theme. It was well received by all.

On July 31st both the Dance Class and the Information Technology Class held their Christmas in July/ end of term celebrations.

Birthday Celebrations

The Golden Voices, Central Pride's In-house Choir, held their quarterly birthday celebrations on November 22nd 2018, April 25th 2019 and July 25th. During those celebrations the birth of members born within the specific quarter were celebrated. Both July and November saw the Voices combining their celebrations with festivities as July's celebration incorporated a 'Christmas in July' theme while November's celebrations incorporated the end of year festivities.

Interactive Meetings

In 2018, Meetings were held on September 18th, and November 15th. In 2019 we held meetings on January 15th, March 14th, May 07th and July 18th. At each meeting our Guest Speaker brought us pertinent information relating to Diabetes Mellitus, Texaco Employee Credit Union and its Group Health Plan, Estate Management and Planning, Electrical Safety and Conservation and Crime Prevention. All meetings included a question and answer segment where members were able to seek answers to various questions. Additionally, members were advised of upcoming events and up to date reports, on our finances were given by the Treasurer, Mrs. Portia De

Silva-Ifill. Our November meeting included a Craft Market in lieu of a Guest Speaker. Based on the success of the market, the Board took the decision that our November meetings will incorporate a Craft Market where members and well-wishers can do their early Christmas shopping.

Outreach Events

Our Outreach activities included:

1. Our annual Christmas visit to the Beckles Street Home for the Aged, Chaguanas on December 12th 2018 by some members of the Board and the Golden Voices. We entertained the residents with songs and dance and provided a sumptuous Christmas lunch and tokens;
2. On July 11th 2019 the Golden Voices visited and entertained Ms. Gemma Sylvester, one of the 'Voices' who is ill and unable to join us; and
3. We have opened up various chat groups where our members, including our 'shut-ins,' keep in touch with each other on a daily basis.

Other Matters

- a. All Zones were encouraged by TTARP HO to get on board to increase the membership. As a consequence, flyers were given out in the community of Edinburgh 500. Additionally, members are encouraged and reminded at each Interactive meeting and opportunities taken to discuss TTARP and its benefits at various events attended. These actions have resulted in an increase in membership.
- b. On March 24th 2019 we achieved our sixteen-year milestone. It was a quiet event noted only on our Facebook page where we received

several congratulatory messages. This event will be celebrated throughout the year with special emphasis at our Cultural Appreciation and Thanksgiving event carded for October 21st, 2019.

- c. Several of our members have passed during the period under review, the most recent were Joyce Riley and her husband Daryl Riley who died on July 31st and August 09th respectively. May the souls of all the departed rest in peace.
- d. On August 10th some of our members travelled to Tobago to participate in the All Fours Fiesta and support our two Teams at the John Dial Multi-Purpose Facility.
- e. On August 16th members joined with the Eastern Angels to celebrate Emancipation at the Arima Tennis Club.

Upcoming Events

- a. On September 12th we plan to attend TTARP's AGM at the Centre of Excellence, Macoya.
- b. An Interactive Meeting is carded for September 17th at the Arena with a Guest Speaker to be confirmed.
- c. On October 21st we will be having our Thanksgiving and Cultural Appreciation Event where we will be giving thanks for the many blessings received over the years.
- d. On November 14th we plan on having our Craft Market in conjunction with an Interactive Meeting. There will be no Guest Speaker. Members will be able to make an early start to their Christmas shopping.

- e. Our Christmas Luncheon is carded for Thursday, December 05th when our members and well-wishers will come together in a spirit of camaraderie for a fitting 'end of year' celebration.
- f. In mid-December some members of the Board and the Golden Voices will be making our annual visit to the Beckles Street Home for the Aged, Chaguanas, to spread the Christmas cheer.

Conclusion

On behalf of the Committee, I hereby extend a heartfelt thank you to all who assisted in making the period under review the success it was. Special thanks go out to our sponsors with particular reference to our parent Body TTARP, Phoenix Park Gas Processors, Xtra Foods Ltd, and National Flour Mills who never fail to support us in our various endeavours, the Entertainment and Fundraising Committee, led by Mrs. Janet Rawlins, who ensure that our events are smoothly executed, the Central Pride models led by Mrs. Carol Huggins- Benjamin who keep our name 'in neon lights', our in-house DJ, Mr. Michael Lawrence who responds positively to us, sometimes at short notice, our dependable Drivers, Mr. Fareed Baksh and his team and Mr. Paul Ramganese who provided us with safe transport, our members and well-wishers who generously donate to our various events and continue to support us in spite of the challenges they may face. The Corals Zone is pleased to present a snapshot of our activities, achievements and accomplishments for the year under review.

Our Zone continually seeks to feature a host of interesting lectures and presentations. For the current period, our Members have been very fortunate to have gained valuable information from the following:

- ✓ A Presentation on Wills - On every occasion that this topic has been put forward, Members are given a whole new range of pertinent information. We hope to finalise an arrangement with the Presenter's Law Firm whereby we can seek legal assistance at reduced rates.
- ✓ A wealth of financial data was put forward by the Representatives of the Securities Exchange Commission. We learnt all about the pitfalls of pyramids and Ponzi schemes, as well as about the finer points of various types of investment. It was truly, a goldmine of a Lecture.
- ✓ Nutrition - the best and healthiest combinations for a balanced diet).

In addition to the above, the Corals engaged in the following activities:

- In the month of May 2019, we enjoyed a Luncheon to fete and honour our Mothers and Fathers. Our Guest of Honour at this year's Event was a 96 year old member.

- Once a year, we treat ourselves to a day at the sea-the Pigeon Point Resort, to be exact. We use this opportunity to hone up on our board or card game skills, immerse ourselves in the sparkling salt water, partake of our mixed selection of lunch or snacks, or just bask in the cool shade of our rented cabana.
- Our 6th Annual Variety Concert raises funds for our various initiatives, and also serves to highlight and feature the talents and skills of some of our own Colleagues; every year, a new Star is born!

byline here is, *“If I can sit and pray or dine with my neighbour, we certainly should get to know-and understand- each other better”.*

- Recently, one of our Members has been in contact with a Home for battered women on our island, and she even took the initiative of using her own location as a collection point for receiving parcels of essential items for delivery to this Establishment. It is our intention to have a definite link or liaison with this Home and its Occupants, who are all someone’s daughters, someone’s wives, or someone’s mothers.

Additional information

Our Zone is in the forefront of using social media (in this case, whatsapp) to keep in touch with one another, and to disseminate our items of news, notices and information as widely as possible. Between meetings, we make announcements of coming Events, so that, through this medium, even those who don’t actually attend meetings can nevertheless keep abreast of all that is happening. This includes for example all relevant information from Head Office such as Tours abroad or the Activities taking place on the TTARP Calendar. Suffice it to say that the possibilities of this new electronic window are endless.

Community Work

- Members of our Corals Visitation Committee continue to visit Seniors’ Homes in our region, as well as sick or shut-in Members of our Zone. It is also our intention to monitor Members who have not been attending meetings and to check with them.
- Each year, we continue to worship with one (1) of the Religious Congregations in our area. As pointed out before, we see this initiative as a very vital method of interacting with various Members of our community, with whom we might not usually have direct contact. The

Our Closing Statement

For an Organization such as ours, with such a rich heritage and history - i.e. the Trinidad and Tobago Association of (never) Retired Persons - the sky is the limit, and we can go in no other direction but **UP** and **UP**. At the end of this Report, we certainly would not fail to mention and applaud our Mentors at head office. Under the astute yet motherly watch of our beloved Mayling, our twenty-five (25) year young Association continues to GROW from strength to

strength. And this Tobago Group, which would attain the age of twenty (20) next year, intends to be right there, partaking in all the Activities, ventures and travels, during this wonderful journey called life.

PRINCES TOWN/RIO CLARO ZONAL GROUP

Good Morning TTARP Family. My name is Annmarie Paul-Roberts. I am the secretary of the Princes Town/Rio Claro “Royals”.

Mr. Chairman, Members at the Head Table, Head Office Staff, specially invited guests, my TTARP colleagues; I bring to you Greetings from your brothers and sisters of the Princes Town Rio Claro “Royals”.

It is a pleasure to see you all again.

Ralph Waldo Emerson stated, I quote, ***“The purpose of life is not to be happy. It is to be useful, to be honourable, to be compassionate, to have it make some difference that you have lived and lived well.”***
End quote.

Friends, let us all strive to live and to live well.

Welcome to our Annual General Meeting.

I wish to extend gratitude to our hard working and dedicated management team and to Head Office Staff for your contributions and all your efforts towards making TTARP successful.

I pray that the Lord will bless you with good health and provide you with the strength to continue your work in years to come.

Our Membership

Princes Town/Rio Claro “Royals” draws its membership from South East Trinidad, mainly from the districts of Princes Town, Moruga, Rio Claro and Mayaro.

We began with a small membership in the early 21st century and we have worked steadily to increase our numbers. This year through our membership drive we collaborated with other community groups in the area and we have grown by 19 members. The membership for the Princes Town / Rio Claro “Royals” currently stands at 50 persons. We propose to have this initiative continue throughout the upcoming year. The Head Office has agreed to join with us to do some promotions in the main towns in our zone. At next year’s AGM it is expected that we will double our membership.

The Princes Town Rio Claro “Royals” zone are still young, but through hard-work and dedication we continue to grow day by day. Today I can proudly say that we are a productive and successful group that will become better and better as we develop our ideas and use the resources available to us.

Our Successes

This year 2018 -2019 was wonderful for the Princes Town /Rio Claro “Royals”. We attended many of the events organized by the Head Office, and we had an enjoyable time. We were able to achieve 90% of our plans and projections.

At a previous Zonal meeting our dear Honorary Secretary Mrs. Mayling Younglao suggested that all groups should develop relationships with the management of their venues. I am pleased to report that the Princes Town /Rio Claro “Royals” and the St Stephen Anglican Church Vestry now have a mutually beneficial relationship. The Church community has welcomed the efforts and contributions made by TTARP Princes Town /Rio Claro “Royals”. The Priest-in-Charge, Father Michael Greenridge and other leaders of the church were so pleased with our efforts and activities that they have become TTARP Card Holders and members of the “Royals”. We are allowed to use

the Church Hall for our meetings every third Saturday of the month free of cost. When the Church Hall is unavailable, we are allowed to conduct our meetings in the church.

Our Contributions

At the last zonal meeting, our President Mr. Peña asked a very important question. He was concerned whether the executives of the zonal groups have acknowledged the importance and the impact of what they do for the members of their groups.

This question resonated in my mind for a few days and I decided to get some feedback from the members. From our conversations, I was able to ascertain that TTARP was providing an important service for its members. While each member experience is different, his or her interaction within the group is quite significant.

Today, I take the opportunity to respond and say “yes” Mr. Pena. We, the “Royals” now know how important the field trips and other events are to our members. We see it on their faces as they board the bus on a morning of the event, and we hear the joyous chatter of their voices as they engage each other to and from the destinations.

In addition, members often say how much they enjoyed the last trip and they always enquire when and where will be the next activity. The families of our members are also appreciative because they indicate to us how pleased they are that the group brings so much joy and happiness to their loved ones.

It is very heart-warming to know that TTARP is making a significant difference in the lives of so many people, and to know that our efforts are appreciated and valued not only by our members, but by their families as well.

I will like to announce the Executive for the period February 2019 to February 2021:
