Welcome

Dear Member,

Thank you for making the decision to join an organization that can positively affect your life. Becoming a TTARP member is an awesome and commendable step for persons age fifty or older .

We were legally registered as an NGO (non-governmental organization) in 1993 as the Trinidad and Tobago Association of Retired Persons, however, we now simply call ourselves TTARP ...an Association of Responsible Persons since you don't need to be retired to join the Association.

This booklet is a guide for you to know how to maximize your membership benefits , and we encourage all Members to Participate, Volunteer, Advocate, Renew and show your TTARP card!

We look forward to being of service to you as you enjoy your Golden Years.

The Management.

We will need to keep in touch with you for special offers and other information, so please ensure you update your mailing address, phones and emails if there are changes.

TTARP

MISSION

TTARP is a legally registered, non-profit organization for mature persons age fifty (50) and over. It aggressively seeks the best interest of its members towards four (4) main objectives:-

- To enhance the quality of life of mature citizens.
- To promote their independence, dignity and purpose.
- To lead in determining their role in society.
- To improve the image of the golden years.

HISTORY

The first Association of Retired Persons was started in the USA in 1958 by Dr. Ethel Percy Andrus, a retired school principal. It evolved out of the National Retired Teachers Association (NRTA) which she had established in 1947 to deal with its members' particular pension and tax problems.

The American Association of Retired Persons (AARP) initially extended group health coverage to mature citizens. New programmes and services were subsequently added and proved popular and highly effective. Membership has grown from 50,000 in 1958 to over 40 million to date.

The idea has since spread to many countries and today there are millions of members from retired persons associations in the UK, Europe, Australia, Canada, Barbados, Grenada, Jamaica among others, enjoying the benefits and positive encouragement of their Golden Years.

FORMATION OF TTARP

Locally, a group of prominent mature citizens headed by Messrs. Peter Peña, Ken Gittens (deceased) and J. Maurice Quesnel (deceased), representing a cross-section of society, looked into a version of the American Association of Retired Persons (AARP) and evaluated the advantages of implementation in Trinidad and Tobago.

When all the data were assembled, the possibilities looked attractive and feasible and so with the assistance of M&M Broking Services Ltd, TTARP was formed in August 1993. Subsequent announcements and advertisements gained national attention and resulted in many members being enrolled. To date, we have over 40,000 members throughout Trinidad and Tobago. Indeed the benefits of membership have served mature citizens well.

TTARP is governed by an Executive Board of Directors who oversees all operations of the association. There are also eleven Zonal Groups which meet monthly at various communities across the country to organize recreational activities, community work and manage their affairs. The Head Office is managed by our Secretariat, a Manager, and three staff with the assistance of full time and volunteer members.
